The Honorable George Huddleston, Jr.
House of Representatives
Washington 25, D. C.

Dear Mr. Huddleston:

Thank you for your letter of 25 March 1959 to Mr. Dulles enclosing a Form 57 from [redacted] who is interested in employment during the summer months. 25X1

We have found it uneconomical to employ for such a short period individuals for whom we would be required to complete a full security investigation. Since our needs for young people who are available only during the summer months are quite limited, we have been able to meet our requirements from among individuals who have some prior association with the Agency either directly or through close members of their families. Accordingly, we would not have an opportunity to offer [redacted] a position. 25X1

We appreciate your bringing this young man to our attention and trust that he will be successful in obtaining other employment for the summer. His Form 57 is being returned for his use in exploring other opportunities. 25X1
